## PURE ATMOSPHERICS

SAFE UNIFORM SUPERIOR LIGHTING EFFECT

This product is not to be used for any purpose other than as a lighting effect solution.

This lighting effect incorporates Grignard Pure® Technologies' Health and Safety Analysis from leading toxicology labs:

bioRxiv

1 Gallon/3.8 L

Non-Toxic • High Purity • Water-based

### WARNINGS:

Professional Use Only.

**Caution:** Slip hazard. Spilled fog liquid should be cleaned up immediately, especially from walkways, floors, and other surfaces to prevent potential slips and falls.

Do not swallow. Not intended for internal consumption.

Do not expose at close range to known asthmatics or persons with low tolerances to fog producing products for an extended period of time.

#### Directions:

Use directly from container. Do not dilute.

Contains: De-ionized water and non-hazardous glycols. Does not contain any glycerin or scents.

Safe and compatible for all water-based fog machines.

#### Precautions:

- Use only in well ventilated areas.
- Keep this product out of reach of children and pets.
- Close adult supervision is necessary when this product is used near children.
- Artificial fog may activate smoke detectors.
